# WHY BEARD BALM?

Hipster is a way of life,  
not a fashion statement.

Looking for a rugged yet soft manly beard? Look no further! Made by a Yiddish man who loves his beard, this lightweight artisan natural handcrafted balm is the choice for you (even Moses would approve! ).

You choose the label & size:

- Our Small Tin weighs over .5 oz of beard balm itself .
- Our Large Tin weighs over 1 oz of beard balm itself.

# ALL NATURAL. ALL THE TIME.

An artisan handcrafted delight.

Our balm is made with the finest natural beeswax, shea butter, coconut oil, grapeseed oil, sweet almond oil, australian sandalwood oil, and cedarwood oil.

The oils and butters help moisturize and soften while the beeswax gives the user the perfect amount of control over the beard fashion (not too hard and not too soft, being just right).
